What is Pivot?

- Pivot brings funding opportunities and scholarly profiling systems together in one integrated package
  - Access to over 26,000 funding opportunities.
  - Approximately 3 million profiles from around the world.
  - Funding for many purposes: grants, fellowships, capital improvements, travel, visiting professors, training, etc.
  - Funding is edited daily by a group of editors.

- Suggests potential funding opportunities for you based on your Pivot profile (harvested and maintained by Pivot editors).

- Gives you one place to manage and track funding of interest.

What’s a Pivot Profile?

- Pivot editorial team uses publicly available information sources to build profiles including information on:
  - Name
  - Email Address
  - Webpages (homepages, pages that list publications, and CV pages)
  - Degree Information (institution, degree type, discipline, year)
  - Research Interests
  - Current academic departmental affiliations (includes role/position)
  - Publication information is also collected and linked to your profile by way of an automated proprietary matching algorithm that attempts to link publications to your profile from the following sources (which contain over 60 million publications):
    - PubMed citation database
    - ProQuest citation databases
    - CSA citation databases
    - ERIC citation database
    - Agricola citation database

Searching & Navigating Pivot Profiles
How is a Pivot Profile Maintained?

- Pivot Profiles are created and maintained two ways:
  - By the ProQuest editorial team.
  - By the profile owner directly.

- Pivot editorial team updates annually/semi-annually (once every 12-18 months per University/Organization).
  - Profile information uploaded by the profile owner is incorporated sooner.
